ALACAKAYA®
MARBLE

Alacakaya Marble Inc which is one of the great and powerful brands of Natural Stone Sector, has 25 yearly experience in Anatolia, the cradle of civilization.

The company was established by Yavuz Arslan and Cemil Yasli in 1984. It has adopted a management style which is open for innovation. Production with high quality which is developed day by day and unconditional customer satisfaction are accepted as basic principles.

In Elazığ Industrial Zone Alacakaya Marble has been going on its production with its factory which has the latest technological machineries. It occupies 12.500 m² closed and totally 40.000 m² areas. It is an important employer in its region with its yearly block capacity of over 100.000 m³ and 500 employees.

Uygarlığın beşiği olarak kabul edilen Anadolu'nun, Doğal Taş Sektöründeki güçlü markalarından biri olan Alacakaya Mermer A.Ş. sektöründe yarım yüzyıla yakın bir deneyime sahiptir.

1967 yılında, sonradan Rosso Levanto olarak adlandırılan mermerin keşfi ile sektöre adım atmıştır. 1984 yılında Yavuz Arslan ve Cemil Yaşlı önderliğinde kurulan şirket yeniliklere açık ve paylaşımcı yönetim anlayışı, günden güne geliştirilen kaliteli üretim mantığı ve koşulsuz müşteri memnuniyetini temel ilkeleri olarak benimsemiştir.

Alacakaya Mermer A.Ş., Elazığ Organize Sanayi Bölgesi'nde 12.500 m²'si kapalı olmak üzere toplam 40.000 m² alana yayılan fabrikasında en son teknolojiye sahip makina parkıyla üretimine devam etmektedir. Yıllık ortalama 100.000 metreküp blok kapasitesi ile 500 civarında personeliyle bölge için önemli bir istihdam sağlayıcısı konumdadır.

OUR MARBLE QUARRIES

Alacakaya Marble Inc., processing materials from different quarries in Elazığ, Kütahya, Karaman and Diyarbakır has made these marbles be used in projects in different parts of the world and has contributed significantly to Turkish marbles branding worldwide. It is also the main producer of Rosso Levanto which is in brisk demand in the world.

Elazığ, Kütahya, Karaman ve Diyarbakır'da bulunan çeşitli ocaklarından elde ettiği taşları kendi tesislerinde işleyen Alacakaya Mermer A.Ş., bu mermerlerin dünyanın çeşitli bölgelerindeki projelerde kullanılmasını sağlamış, dünya'da Türk Mermer çeşitlerinin markalaşmasına önemli katkıları olmuştur. Tüm Dünya'da büyük rağbet gören Rosso Levanto'nun (Elazığ Vişne) ana üreticisi durumundadır.
